Shoofly quilt block

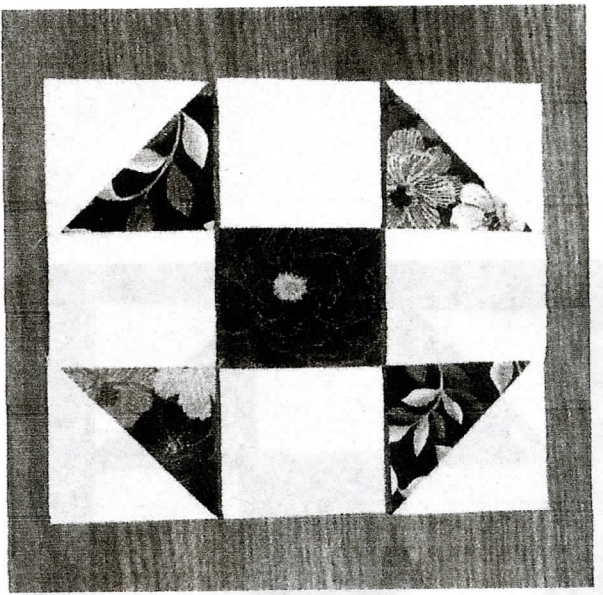

Fabric Requirements for a Finished Shoofly Quilt Block:

Traditionally, only 2 colors are used in the block - a light for the background and a contrasting color. But I couldn't leave well enough alone and am going for a light background and 3 coordinating prints.

background "
A = 4 at $4\frac{1}{2}$ "
background

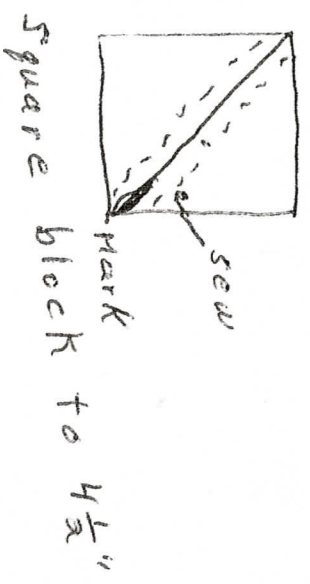

B = 2 at 5"
C = 2 at 5"

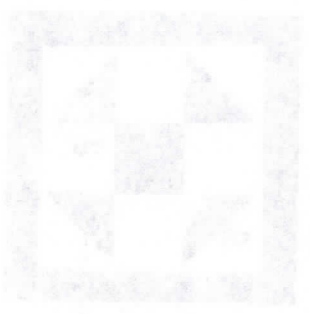

Step 4:

And press the seam allowances toward the Light/White squares as you can see in photo below.

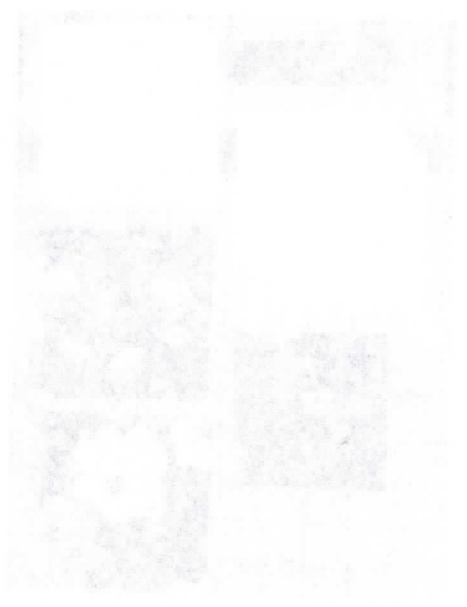

Take 5" sq and make $\frac{1}{2}$ square blocks

Step 3:

Sew the patches together in three rows as shown below just like you would for a basic Nine Patch block. (My tutorial for the Nine Patch is at <https://fabric406.com/blogs/fabric406-blog/how-to-sew-a-basic-nine-patch-quilt-block>)
